

# SOMPA BHUI

+91 6203665630 | bhuissompa001@gmail.com | LinkedIn | GitHub

## EDUCATION

**Vellore Institute of Technology - CGPA: 8.38/10**

*Bachelor of Technology in Computer Science and Engineering*

**Karim City College - 81%**

*Class XII*

**Manusmuria High School - 92.8%**

*Class X*

Bhopal, Madhya Pradesh

*Aug 2022 - May 2026*

Jamshedpur, Jharkhand

*Aug 2019 - May 2021*

Manusmuria, Jharkhand

*Aug 2017 - May 2019*

## TECHNICAL SKILLS

**Programming Languages:** Python, SQL

**Data Analytics:** Data Cleaning, Data Preprocessing, Exploratory Data Analysis (EDA)

**Libraries / Tools:** Pandas, NumPy, Matplotlib, Seaborn

**Visualization:** Charts, Dashboards, Data Storytelling

**Tools:** Git, GitHub, Jupyter Notebook, Overleaf

**CS Fundamentals:** Data Structures, DBMS, Operating Systems

## PROJECTS

**Image Steganography Web App** | Python, HTML5, CSS, OpenCV

Jan 2025 - Mar 2025

- Built a Flask-based web application to securely hide and extract secret text messages inside images using LSB steganography.
- Implemented bit-level operations to embed text without noticeable image distortion while maintaining image quality.
- Optimized image processing workflows using OpenCV and NumPy for fast encoding/decoding performance.
- Designed a clean and responsive UI using HTML5 and CSS to improve user interaction and usability.
- Tested the application with multiple image formats and validated output accuracy across different resolutions.

**IPL Data Analysis** | Python, Pandas, Matplotlib, Seaborn

Aug 2025 - Sep 2025

- Performed end-to-end data analysis on IPL datasets by cleaning raw match and player data (missing values, duplicates, inconsistent formats).
- Conducted Exploratory Data Analysis (EDA) to identify patterns in team performance, player consistency, and match outcomes across seasons.
- Created visualizations such as win percentage trends, top run scorers, wicket-takers, and venue-based performance using Matplotlib and Seaborn.
- Used grouping and aggregation techniques to analyze toss impact, chasing vs defending results, and team head-to-head comparisons.
- Generated insight-driven reports and summarized key findings through data storytelling for clear decision-making support.

## ACHIEVEMENTS AND EXTRACURRICULAR

**Google Cloud Arcade Facilitator** | Google Cloud

July 2025 - Present

- Nominated among 150+ global students as Google Cloud Arcade Facilitator for the 2024 cohort.
- Conducted hands-on workshops and weekly doubt-clearing sessions for 500+ learners.

**Open Source Contributor** | Hacktoberfest 2024

Oct 2024 - Oct 2024

- Contributed 4+ Pull Requests to open-source repositories by resolving bugs and improving documentation.
- Collaborated with global maintainers, resolving 10+ GitHub issues across diverse tech stacks.
- Enhanced code quality and functionality for beginner-friendly community projects.

## VOLUNTEER EXPERIENCE

**Core Member, IEEE Student Chapter – VIT Bhopal**

Sep 2023 - Present

- Organized and coordinated technical events, workshops, and hackathons as part of the core team.
- Facilitated collaboration with faculty and peers to drive innovation-focused student engagement.

## HOBBIES

- Reading tech blogs and articles, Exploring new technologies, Practicing coding problems, Building personal projects
